WHY 224 YOUTH ZONE MATTERS

224 Youth Zone is about to change the game for young people in South Bristol!

This brand-new, state-of-the-art space will be buzzing with energy, creativity, and opportunity, open every evening, weekend, and school holiday.

As part of the national OnSide network, 224 will give thousands of young people aged 8-19 (and up to 25 with additional needs) a place that's safe, affordable, and packed with things to do.

From sports to arts, music to enterprise, and everything in between, 224 will be the beating heart of youth culture in South Bristol. Working collaboratively with local partner organisations, we're creating the city's very first large-scale youth hub, bursting with activities and opportunities that will inspire, challenge, and empower the next generation.
